

Serving Communities and Families

SFC 2.3 Describe health and safety concerns relating to community and family services.

Health and Safety Interview Activity 8– Guided and Independent Practice

This activity is to be used to allow the students to further investigate workplace health and safety regulations. The teacher will help facilitate the writing of interview questions from the students. Each student should have a minimum of 5 questions up to 10 possible questions. The questions should be typed and presented in a neat and professional fashion. Some example questions are included.

Example questions:

Are there laws or regulations that you have to follow in your position?

What are the rules for tattoos, piercings, and other body art?

What kind of clothing is required in your work place?

After the interviews are complete the students should complete a 1 page reaction paper discussing the interview.
